About Payment

Prepayment is required on all orders. All prices are in Canadian dollars and may change without notice. Make cheques or money orders payable to "Receiver General for Canada."
Please allow 4 to 6 weeks for delivery. **All sales are final. No refunds will be issued.**

†Discounts (Line 2)

Discounts may not be combined on the same entry. Discounts do not apply to short-term subscriptions (10 days, 2 months, 4 months). Discounts are applied to that portion of the document subtotal that is applicable to the selected discount.

Bulk orders: 10% discount on minimum order of 10 copies of same printed document (same title and format).

OR Educational bookstores: 25 % discount on minimum order of 10 printed documents.

OR Student discount: 15% discount on any 2 month and 4 month single user online subscription.

OR 15% discount applies when the NBC 2010, NPC 2010, NFC 2010 are purchased together in the same format in one order.

OR 15% discount applies when the NBC 2010, NPC 2010, NFC 2010, and NECB 2010 are purchased together in the same format in one order.

OR Print and Electronic Bundle for all National and Provincial Code Documents prior to 2015: **15% discount** applies for each single title purchased in both printed and electronic formats (1 or 5 year on-line single-user subscription and downloadable PDF only).

OR Print and Electronic Bundle for the 2015 National Code Documents: **20% discount** applies for each single title purchased in both printed and electronic formats (1 year on-line single-user subscription and downloadable PDF only).

OR Electronic format, volume discount for concurrent users:

5-9 concurrent users: 20% discount	25-49 concurrent users: 40% discount
10-24 concurrent users: 30% discount	50+ concurrent users: 50% discount

For the 2010 code cycle, the short-term subscription was 10 days in length. This was extended to two months in order to provide a more suitable product for short term reference. The 2010 pricing listed reflects the 10-day subscription prices and 2015 Pricing reflects the 2-month offer.

The price of the one-year subscription to the Historical Editions has been increased to allow for the added-value of allowing printing (printing is disabled for the 10-day subscription).
